C.K. **STUBBY**
VDE slim

THE WORLDS 1ST FIXED BLADE VDE STUBBY SCREWDRIVER!

Research has shown 87% of Electricians have a stubby screwdriver in their toolkit but none until now have carried the safety reassurance of VDE certification*.

These clever little screwdrivers are fully VDE approved, individually tested to 10,000V and feature a slim blade allowing easy access to sunken screws. The short length makes them ideal for use in confined spaces whilst the premium quality chrome vanadium steel blades provide exceptional strength and durability. What's more they're unique, meaning every single C.K Stubby VDE Slim you sell is an additional sale for your business.

FEATURES & BENEFITS:

- > Stubby size – ideal for use in confined spaces
- > Slim shafted insulated blades - allow access to recessed screws and fixings
- > VDE approved - individually tested to 10,000V for safe working up to 1,000V
- > Premium quality chrome vanadium steel blades - for exceptional strength & durability
- > 100% German manufactured - quality and performance assured
- > Tip type markings - for easy identification
- > Anti-roll flats - to prevent the screwdriver from rolling off sloping surfaces
